# DIGITAL LITERACY PORTFOLIO

DIGITAL LITERACY

Helping students navigate the digital world.

## What is digital literacy?

- Using digital tools effectively
- Staying safe online
- Communicating clearly
- Evaluating information

## Useful tools

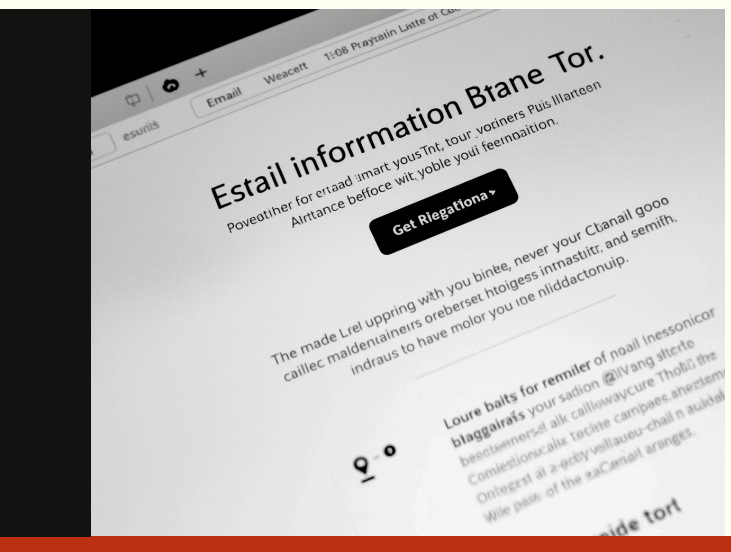
- Google Docs → notes
- Canva → designs
- Notion → planning
- Excel → data
- GitHub → projects

## Stay safe online

- Strong passwords
- Avoid unknown links
- Don't share personal info
- Use 2FA

## Professional profile

- Clean social media
- Use LinkedIn
- Show your work
- Keep it updated



## Email etiquette

- Clear subject
- Proper greeting
- Keep it short
- Formal tone

Being digitally literate means using technology responsibly and effectively.
